Opportunities

What is VOX?

VOX is a company steeped in history. From its humble beginnings in 1994, where it started life as a party called Radio Daze held in honour of the East Sheen Repertory Company, VOX has since risen to become the prominent and respected name that is known today across the UK voiceover industry.

VOX's events are tailored to voice artists and producers working in the broadcast industries and its annual events calendar includes The VOX Awards and the Christmas party event, VOXMAS.

In 2018, VOX returned home to one of its original organisers, Peter Dickson, and his business partner Hugh Edwards. Together, they returned VOX to its original grassroots format, set in the Midlands of the United Kingdom.

VOX 2019 will be attended by 120 established working voice artists and producers from across the broadcast radio sector and will take place at Ettington Chase Hotel, Stratford-upon-Avon. The event will begin at 12 noon, with welcome drinks, networking, talks and an exhibition. At 5pm, there will then be a sponsored drinks reception which will continue until 7pm at which time attendees will begin a 3-course meal, closely followed by the awards ceremony and evening entertainment.
